	water diversion and use, if applicable.
	c. List any related applications, registrations, permits, or licenses located in the proposed place of use or that utilize the same point(s) of diversion. NA SLEEPY VAILEY WATER company wells ARE Located 640 FEET DOWN GRADIENT.
ó.	OTHER SOURCES OF WATER Are you presently using, or do you intend to use, purchased water or water supplied by contract in connection with this project? Yes No If yes, please explain:
_	AND DECOMPENSATIONS
	MAP REQUIREMENTS The Division cannot process your application without accurate information showing the source of water and location of water use. You must include a map with this application form that clearly indicates the township, range, section and quarter/quarter section of (1) the proposed points of diversion and (2) the place of use. A copy of a U.S.G.S. quadrangle/topographic map of your project area is preferred, and can be obtained from sporting goods stores or through the Internet at http://topomaps.usgs.gov. A certified engineering map is required when (1) appropriating more than three cfs by direct diversion, (2) constructing a dam which will be under the jurisdiction of the Division of Safety of Dams, (3) creating a reservoir with a surface area in excess of ten acres (4) appropriating more than 1000 acre-feet per annum by underground storage. See the instruction booklet for more information. **See Attachment No.**
	SECTION C: ENVIRONMENTAL INFORMATION
lete lesso lue lue he	vironmental Quality Act (CEQA). This form is not a CEQA document. If a CEQA document has not yet been pared for your project, a determination must be made of who is responsible for its preparation. If the SWRCB is ermined to be responsible for preparing the CEQA document, the applicant will be required to pay all costs ociated with the environmental evaluation and preparation of the required documents. Please answer the following estions to the best of your ability and submit with this application any studies that have been conducted regarding environmental evaluation of your project.
	a. Contact your county planning or public works department and provide the following information:
	Person contacted: MR. KIM SZAJAY Date of contact:
	Department: Planning Dept. Telephone: (213) 974-6443
	County Zoning Designation: A-I Are any county permits required for your project? YES \(\subseteq \text{NO} \) If YES, check appropriate box below: \(\subseteq \text{Grading permit} \(\subseteq \text{Use permit} \subseteq \text{Watercourse} \subseteq \text{Obstruction permit} \(\subseteq \text{Change of zoning} \) \(\subseteq \text{General plan change} \(\subseteq \text{Other (explain)} : \(\frac{\text{ConprisonAl use Permit}}{\text{ConprisonAl use Permit}} \)
	b. Have you obtained any of the required permits described above? YES NO If YES, provide a complete copy of each permit obtained.
	☐ See Attachment No
	STATE/FEDERAL PERMITS AND REQUIREMENTS a. 	If YES, explain:
d.	☐ See Attachment No Have you contacted the California Department of Fish and Game concerning your project? ▼ YES ☐ NO If YES, name and telephone number of contact: L.A. County Dept. of REGIONAL Planning
E	NVIRONMENTAL DOCUMENTS
a. c.	Has any California public agency prepared an environmental document for your project? ☐ YES ☐ NO If YES, submit a copy of the latest environmental document(s) prepared, including a copy of the notice of determination adopted by the California public agency. Public agency:
d.	If NO, check the appropriate box and explain below, if necessary: ☐ The applicant is a California public agency and will be preparing the environmental document.* ☐ I expect that the SWRCB will be preparing the environmental document.**
	☐ I expect that a California public agency other than the State Water Resources Control Board will be preparing the environmental document.* Public agency: ☐ See Attachment No
	* Note: When completed, submit a copy of the <u>final</u> environmental document (including notice of determination) or notice of exemption to the SWRCB, Division of Water Rights. Processing of your application cannot proceed unt these documents are submitted.
	** Note: CEQA requires that the SWRCB, as Lead Agency, prepare the environmental document. The information contained in the environmental document must be developed by the applicant and at the applicant's expense unde the direction of the SWRCB, Division of Water Rights.
W	ASTE/WASTEWATER
a.	Will your project, during construction or operation, (1) generate waste or wastewater containing such things sewage, industrial chemicals, metals, or agricultural chemicals, or (2) cause erosion, turbidity or sedimentat ☐ YES ☒ NO
	If YES, or you are unsure of your answer, explain below and contact your local Regional Water Quality Con Board for the following information (See instruction booklet for address and telephone no.):
1	See Attachment No
b.	Will a waste discharge permit be required for your project? YES NO Person contacted: Date of contact:
c.	Person contacted: Date of contact: What method of treatment and disposal will be used?
	□ See Attachment No
	RCHEOLOGY
a. b. c.	Have any archeological reports been prepared on this project? ☐ YES ☒ NO Will you be preparing an archeological report to satisfy another public agency? ☐ YES ☒ NO Do you know of any archeological or historic sites located within the general project area? ☐ YES ☒ NO If YES, explain:
	□ See Attachment No

SECTION D: SUBMITTAL FEES

Calculate your application filing fee using the "Water Right Fee Schedule Summary" that was enclosed in the application packet. The "Water Right Fee Schedule Summary" can also be viewed at the Division of Water Rights' website (www.waterrights.ca.gov).

A check for the application filing fee, payable to the "Division of Water Rights" and an \$850 check for the Streamflow Protection Standards review fee [Pub. Resources Code § 10005(a)], payable to the "California Department of Fish and Game," must accompany this application. All applicable fees are required at the time of filing. Your application will be returned to you if it is not accompanied by all required fees.

SECTION E: DECLARATION AND SIGNATURE

I declare under penalty of perjury that all information provided is true and correct to the best of my knowledge and belief. I authorize my agent, if I have designated one above, to act on my behalf regarding this water right application.

Signature of Co-Applicant (if any)

Title or Relationship

"APPLICATION TO APPROPRIATE WATER" CHECKLIST

Before you submit your application, be sure to:

- Answer each question completely in Sections A, B, and C.
- Number and include all necessary attachments.
- আ Include a legible map that meets the requirements discussed in the instruction booklet (Item B6).
- Include the Water Availability Analysis or sufficient information to demonstrate that there is reasonable likelihood that unappropriated water is available for the proposed appropriation (Item A6).
- Include three complete sets of color photographs of the project site (Item C6).
- Enclose a check for the required fee, payable to the Division of Water Rights, as specified in Section D.
- Enclose a \$850 check for the Streamflow Protection Standards review fee, payable to the Department of Fish and Game, as specified in Section D.
- Sign and date the application in Section E.

Send the original and one copy of the entire application to:

State Water Resources Control Board Division of Water Rights P.O. Box 2000 Sacramento, CA 95812-2000
